## Product Datasheet

### Chikungunya virus nsP2 antibody [HL1488], Unconjugated, Rabbit, Monoclonal GTX636962

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Chikungunya virus nsP2 antibody [HL1488], Unconjugated, Rabbit, Monoclonal                                                         |
| Artikelnummer            | GTX636962                                                                                                                          |
| Hersteller Artikelnummer | GTX636962                                                                                                                          |
| Alternativnummer         | GTX636962-25, GTX636962-100                                                                                                        |
| Hersteller               | GeneTex                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | ICC, IHC-P, WB                                                                                                                     |
| Spezies Reaktivität      | Virus                                                                                                                              |
| Immunogen                | Recombinant protein encompassing a sequence within the N-terminus region of Chikungunya virus nsP2. (strain S27-African prototype) |
| Konjugation              | Unconjugated                                                                                                                       |
| Klonalität               | Monoclonal                                                                                                                         |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                           |
| Klon-Bezeichnung         | [HL1488]                                                                                                                           |
| Puffer                   | PBS, no preservatives.                                                                                                             |

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                               |
| Anwendungsbeschreibung | WB: 1:500-1:10000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
