| Alternativnummer         | GTX637389-100, GTX637389-25                                                                                      |
| Hersteller               | GeneTex                                                                                                          |
| Wirt                     | Rabbit                                                                                                           |
| Kategorie                | Antikörper                                                                                                       |
| Applikation              | ICC, WB                                                                                                          |
| Spezies Reaktivität      | Virus                                                                                                            |
| Immunogen                | Recombinant fragment of Venezuelan equine encephalitis virus nsP4.<br>(Strain P676)                              |
| Konjugation              | Unconjugated                                                                                                     |
| Klonalität               | Monoclonal                                                                                                       |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                         |
| Klon-Bezeichnung         | [HL1741]                                                                                                         |
| Sensitivitaet            | This antibody is specific for VEEV nsP4 protein, and it does not cross<br>react with WEEV and EEEV nsP4 protein. |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P36328</a>                                                                                                          |
| Puffer                 | PBS, no preservatives.                                                                                                          |
| Formulierung           | Liquid                                                                                                                          |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
