## Product Datasheet

### Coxsackievirus A6 VP2 antibody [HL4233], Unconjugated, Rabbit, Monoclonal GTX643066

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Coxsackievirus A6 VP2 antibody [HL4233], Unconjugated, Rabbit, Monoclonal                                                 |
| Artikelnummer            | GTX643066                                                                                                                 |
| Hersteller Artikelnummer | GTX643066                                                                                                                 |
| Alternativnummer         | GTX643066-25, GTX643066-100                                                                                               |
| Hersteller               | GeneTex                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ICC, WB                                                                                                                   |
| Spezies Reaktivität      | Virus                                                                                                                     |
| Immunogen                | Recombinant fragment of Coxsackievirus A6 VP2.                                                                            |
| Konjugation              | Unconjugated                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                |
| Konzentration            | 1 mg/ml                                                                                                                   |
| Klon-Bezeichnung         | [HL4233]                                                                                                                  |
| Sensitivitaet            | This antibody is specific for Coxsackievirus A6 VP2 protein and does not cross react with Coxsackievirus A16 VP2 protein. |
| Puffer                   | PBS, no preservatives.                                                                                                    |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                          |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
