## Product Datasheet

### Tubulin antibody [YL1/2], IgG2a, Unconjugated, Rat, Monoclonal GTX76511

|                          |                                                                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Tubulin antibody [YL1/2], IgG2a, Unconjugated, Rat, Monoclonal                                                                            |
| Artikelnummer            | GTX76511                                                                                                                                  |
| Hersteller Artikelnummer | GTX76511                                                                                                                                  |
| Alternativnummer         | GTX76511-100                                                                                                                              |
| Hersteller               | GeneTex                                                                                                                                   |
| Wirt                     | Rat                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                |
| Applikation              | ELISA, ICC, IHC-Fr, IP, RIA, WB                                                                                                           |
| Spezies Reaktivität      | A. thaliana, Bovine, Canine, Drosophila, Fungi, Human, Jellyfish, Mammal, Monkey, Mouse, Other, Plant, Porcine, Rat, Worm, Xenopus, Yeast |
| Immunogen                | Yeast tubulin.                                                                                                                            |
| Konjugation              | Unconjugated                                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                                |
| Konzentration            | 1.0 mg/ml (Please refer to the vial label for the specific concentration.)                                                                |
| Klon-Bezeichnung         | [YL1/2]                                                                                                                                   |
| Isotyp                   | IgG2a                                                                                                                                     |

|                        |                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Sensitivitaet          | This antibody recognizes the alpha subunit of tubulin, specifically binding tyrosylated Tubulin (Tyr-Tubulin) (Wehland et al. 1983). |
| Puffer                 | PBS, 0.09% Sodium azide.                                                                                                             |
| Formulierung           | Liquid                                                                                                                               |
| Anwendungsbeschreibung | ELISA: 1/100-1/1,000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.    |
