| Artikelname              | CD20 antibody [FMC7] (FITC), IgM, Mouse, Monoclonal                                                               |
| Artikelnummer            | GTX76519                                                                                                          |
| Hersteller Artikelnummer | GTX76519                                                                                                          |
| Alternativnummer         | GTX76519-500                                                                                                      |
| Hersteller               | GeneTex                                                                                                           |
| Wirt                     | Mouse                                                                                                             |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | FC                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                             |
| Immunogen                | HRIK cells - Human B-Lymphoblastoid line                                                                          |
| Konjugation              | FITC                                                                                                              |
| Klonalität               | Monoclonal                                                                                                        |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                                  |
| Klon-Bezeichnung         | [FMC7]                                                                                                            |
| Isotyp                   | IgM                                                                                                               |
| Sensitivitaet            | This antibody recognises a conformational epitope on the CD20 molecule, most likely a multimeric complex of CD20. |
| NCBI                     | <a href="#">931</a>                                                                                               |

|                        |                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P11836</a>                                                                                                 |
| Puffer                 | Tris-Glycine, 0.2% BSA, 0.1% Sodium azide.                                                                             |
| Formulierung           | Liquid                                                                                                                 |
| Anwendungsbeschreibung | FCM: Neat. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
