### Goat Anti-Mouse IgG3 antibody, Unconjugated, Polyclonal GTX77284

|                          |                                                                            |
|--------------------------|----------------------------------------------------------------------------|
| Artikelname              | Goat Anti-Mouse IgG3 antibody, Unconjugated, Polyclonal                    |
| Artikelnummer            | GTX77284                                                                   |
| Hersteller Artikelnummer | GTX77284                                                                   |
| Alternativnummer         | GTX77284-500                                                               |
| Hersteller               | GeneTex                                                                    |
| Wirt                     | Goat                                                                       |
| Kategorie                | Antikörper                                                                 |
| Applikation              | ELISA, IP, WB                                                              |
| Spezies Reaktivität      | Mouse                                                                      |
| Immunogen                | Goats were immunized with highly purified Mouse IgG3 in Freund's adjuvant. |
| Konjugation              | Unconjugated                                                               |
| Klonalität               | Polyclonal                                                                 |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)   |
| Puffer                   | PBS, 0.1% Sodium azide.                                                    |
| Formulierung             | Liquid                                                                     |
| Target-Kategorie         | IgG3                                                                       |

|                        |                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 0.5 - 0.05 ug/ml. IP: 2 ug/mg. ELISA: 2 ug/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
