## Product Datasheet

### Nanog antibody, C-term, Unconjugated, Goat, Polyclonal GTX89079

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| Artikelname              | Nanog antibody, C-term, Unconjugated, Goat, Polyclonal                                                        |
| Artikelnummer            | GTX89079                                                                                                      |
| Hersteller Artikelnummer | GTX89079                                                                                                      |
| Alternativnummer         | GTX89079-100                                                                                                  |
| Hersteller               | GeneTex                                                                                                       |
| Wirt                     | Goat                                                                                                          |
| Kategorie                | Antikörper                                                                                                    |
| Applikation              | ELISA, IHC-P, WB                                                                                              |
| Spezies Reaktivität      | Human                                                                                                         |
| Immunogen                | Peptide with sequence C-DLFLNYSMNMQPED, from the C Terminus of the protein sequence according to NP_079141.2. |
| Konjugation              | Unconjugated                                                                                                  |
| Klonalität               | Polyclonal                                                                                                    |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                   |
| Molekulargewicht         | 35                                                                                                            |
| NCBI                     | <a href="#">79923</a>                                                                                         |
| UniProt                  | <a href="#">Q9H9S0</a>                                                                                        |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                            |

|                        |                                                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                          |
| Anwendungsbeschreibung | WB: 0.05-0.1µg/ml. IHC-P: 1-2µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
