## Product Datasheet

### COMT antibody, Internal, Unconjugated, Goat, Polyclonal GTX89277

|                          |                                                                                                                                 |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | COMT antibody, Internal, Unconjugated, Goat, Polyclonal                                                                         |
| Artikelnummer            | GTX89277                                                                                                                        |
| Hersteller Artikelnummer | GTX89277                                                                                                                        |
| Alternativnummer         | GTX89277-100                                                                                                                    |
| Hersteller               | GeneTex                                                                                                                         |
| Wirt                     | Goat                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                      |
| Applikation              | ELISA, IHC-P, WB                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                           |
| Immunogen                | Peptide with sequence C-QDIIPQLKKKYDVD, from the internal region of the protein sequence according to NP_000745.1, NP_009294.1. |
| Konjugation              | Unconjugated                                                                                                                    |
| Klonalität               | Polyclonal                                                                                                                      |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                     |
| Molekulargewicht         | 30                                                                                                                              |
| Sensitivitaet            | This antibody is expected to recognise both reported isoforms (NP_000745.1 and NP_009294.1)                                     |
| NCBI                     | <a href="#">1312</a>                                                                                                            |

|                        |                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P21964</a>                                                                                                                           |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                                               |
| Formulierung           | Liquid                                                                                                                                           |
| Anwendungsbeschreibung | WB: 0.03-0.1µg/ml. IHC-P: 3.75µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
