## Product Datasheet

### **p27 Kip1 antibody, Internal, Unconjugated, Goat, Polyclonal GTX89392**

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | p27 Kip1 antibody, Internal, Unconjugated, Goat, Polyclonal                                                        |
| Artikelnummer            | GTX89392                                                                                                           |
| Hersteller Artikelnummer | GTX89392                                                                                                           |
| Alternativnummer         | GTX89392-100                                                                                                       |
| Hersteller               | GeneTex                                                                                                            |
| Wirt                     | Goat                                                                                                               |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | IHC-P, WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                              |
| Immunogen                | Peptide with sequence C-KRPATDDSSSTQNK, from the internal region of the protein sequence according to NP_004055.1. |
| Konjugation              | Unconjugated                                                                                                       |
| Klonalität               | Polyclonal                                                                                                         |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                        |
| Molekulargewicht         | 22                                                                                                                 |
| NCBI                     | <a href="#">1027</a>                                                                                               |
| UniProt                  | <a href="#">P46527</a>                                                                                             |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                 |

|                        |                                                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                          |
| Anwendungsbeschreibung | WB: 0.1-0.3µg/ml. IHC-P: 5-10µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
