| Artikelname              | Multiplex Assay Kit for Regulated On Activation In Normal T-Cell Expressed And Secreted (RANTES) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Artikelnummer            | USC-LMA116HU                                                                                                                                   |
| Hersteller Artikelnummer | LMA116Hu                                                                                                                                       |
| Alternativnummer         | USC-LMA116HU-96                                                                                                                                |
| Hersteller               | Cloud-Clone                                                                                                                                    |
| Kategorie                | Kits/Assays                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                          |
| Produktbeschreibung      | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                                            |
| Detektionsbereich        | 0.01-10ng/mL                                                                                                                                   |
| Sensitivitaet            | The minimum detectable dose of this kit is typically less than 0.003 ng/mL                                                                     |
| UniProt                  | <a href="#">P13501</a>                                                                                                                         |
| Proben                   | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids                                           |
| Anwendungsbeschreibung   | FLIA Kit for Antigen Detection.                                                                                                                |
