## Product Datasheet

### Recombinant Protein Phosphatase 4, Regulatory Subunit 1 (PPP4R1), E. coli USC-RPE019RA01

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Protein Phosphatase 4, Regulatory Subunit 1 (PPP4R1), E. coli                                          |
| Artikelnummer            | USC-RPE019RA01                                                                                                     |
| Hersteller Artikelnummer | RPE019Ra01                                                                                                         |
| Alternativnummer         | USC-RPE019RA01-10, USC-RPE019RA01-50, USC-RPE019RA01-100, USC-RPE019RA01-200, USC-RPE019RA01-500, USC-RPE019RA01-1 |
| Hersteller               | Cloud-Clone                                                                                                        |
| Wirt                     | E. coli                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                   |
| Applikation              | Control, SDS-PAGE, WB                                                                                              |
| Spezies Reaktivität      | Rat                                                                                                                |
| Molekulargewicht         | Predicted Molecular Mass(KD): 66.1kDa. Accurate Molecular Mass(KD): 66kDa                                          |
| Tag                      | N-terminal His and GST Tag                                                                                         |
| UniProt                  | <a href="#">Q8VI02</a>                                                                                             |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Quelle                   | Prokaryotic expression                                                                                             |
| Expression System        | Prokaryotic expression                                                                                             |

|              |                     |
|--------------|---------------------|
| Reinheit     | > 90%               |
| Formulierung | Freeze-dried powder |
