| Artikelname              | Recombinant Pregnancy Zone Protein (PZP), E. coli                                                                  |
| Artikelnummer            | USC-RPG324MU05                                                                                                     |
| Hersteller Artikelnummer | RPG324Mu05                                                                                                         |
| Alternativnummer         | USC-RPG324MU05-10, USC-RPG324MU05-50, USC-RPG324MU05-100, USC-RPG324MU05-200, USC-RPG324MU05-500, USC-RPG324MU05-1 |
| Hersteller               | Cloud-Clone                                                                                                        |
| Wirt                     | E. coli                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                   |
| Applikation              | Control, SDS-PAGE, WB                                                                                              |
| Spezies Reaktivität      | Mouse                                                                                                              |
| Molekulargewicht         | Predicted Molecular Mass(KD): 19.4kDa. Accurate Molecular Mass(KD): 18kDa                                          |
| Tag                      | N-terminal His Tag                                                                                                 |
| UniProt                  | <a href="#">Q61838</a>                                                                                             |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Quelle                   | Prokaryotic expression                                                                                             |
| Expression System        | Prokaryotic expression                                                                                             |

|              |                     |
|--------------|---------------------|
| Reinheit     | > 90%               |
| Formulierung | Freeze-dried powder |
