### Anti-Zebrafish DOCK1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-AZA8E1V6-BIOTIN

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Zebrafish DOCK1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                |
| Artikelnummer            | BOB-AZA8E1V6-BIOTIN                                                                                         |
| Hersteller Artikelnummer | AZA8E1V6-Biotin                                                                                             |
| Alternativnummer         | BOB-AZA8E1V6-BIOTIN-100UG                                                                                   |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Spezies Reaktivität      | Zebrafish                                                                                                   |
| Immunogen                | E.coli-derived Zebrafish DOCK1 recombinant protein (Position: S264-E1722).                                  |
| Klonalität               | Polyclonal                                                                                                  |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                   |
| Molekulargewicht         | Calculated Molecular Weight: 215 kDa                                                                        |
| NCBI                     | <a href="#">572187</a>                                                                                      |
| UniProt                  | <a href="#">A8E1V6</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|              |                              |
|--------------|------------------------------|
| Reinheit     | Immunogen affinity purified. |
| Formulierung | Liquid                       |
