| Artikelname              | Secretin receptor Polyclonal Antibody, FITC Conjugated, Rabbit                                                               |
| Artikelnummer            | BSS-BS-0089R-FITC                                                                                                            |
| Hersteller Artikelnummer | bs-0089R-FITC                                                                                                                |
| Alternativnummer         | BSS-BS-0089R-FITC-100                                                                                                        |
| Hersteller               | Bioss                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | IF, WB                                                                                                                       |
| Spezies Reaktivität      | Mouse                                                                                                                        |
| Konjugation              | FITC                                                                                                                         |
| Produktbeschreibung      | This is a receptor for secretin. The activity of this receptor is mediated by G proteins which activate adenylyl cyclase.... |
| Klonalität               | Polyclonal                                                                                                                   |
| Konzentration            | 1ug/ul                                                                                                                       |
| NCBI                     | <a href="#">6344</a>                                                                                                         |
| UniProt                  | <a href="#">P47872</a>                                                                                                       |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                      |

|                        |                                                                                |
|------------------------|--------------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human of human Secretin receptor |
| Target-Kategorie       | Secretin receptor                                                              |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)    |
