| Hersteller               | Bioss                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | WB                                                                                                                           |
| Spezies Reaktivität      | Mouse                                                                                                                        |
| Konjugation              | PE/Cy7                                                                                                                       |
| Produktbeschreibung      | This is a receptor for secretin. The activity of this receptor is mediated by G proteins which activate adenylyl cyclase.... |
| Klonalität               | Polyclonal                                                                                                                   |
| Konzentration            | 1ug/ul                                                                                                                       |
| NCBI                     | <a href="#">6344</a>                                                                                                         |
| UniProt                  | <a href="#">P47872</a>                                                                                                       |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                       |

|                        |                                                                                |
|------------------------|--------------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human of human Secretin receptor |
| Target-Kategorie       | Secretin receptor                                                              |
| Application Verdünnung | WB(1:300-5000)                                                                 |
