| Alternativnummer         | BSS-BS-0096R-RBITC-100                                                                                                                                                                                     |
| Hersteller               | Bioss                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                                 |
| Applikation              | FC, IF                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                                 |
| Konjugation              | RBITC                                                                                                                                                                                                      |
| Produktbeschreibung      | Alpha-1-antitrypsin is a protease inhibitor, deficiency of which is associated with emphysema and liver disease. The protein is encoded by a gene (PI) located on the distal long arm of chromosome 14.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                                                                                     |
| NCBI                     | <a href="#">5265</a>                                                                                                                                                                                       |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                     |

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human alpha 1 Antitrypsin    |
| Target-Kategorie       | AAT                                                                        |
| Application Verdünnung | FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
