| UniProt                  | <a href="#">Q9GZZ7</a>                                                                                                                                                                                        |

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human GFRA4                                               |
| Target-Kategorie       | GFRA4                                                                                                   |
| Application Verdünnung | ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500)                                                   |
