## Product Datasheet

### **Thymosin Alpha-1 Polyclonal Antibody, AbBy Fluor-555 Conjugated, BF555, Rabbit BSS-BS-0226R-BF555**

|                          |                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------|
| Artikelname              | Thymosin Alpha-1 Polyclonal Antibody, AbBy Fluor-555 Conjugated, BF555, Rabbit                                 |
| Artikelnummer            | BSS-BS-0226R-BF555                                                                                             |
| Hersteller Artikelnummer | bs-0226R-BF555                                                                                                 |
| Alternativnummer         | BSS-BS-0226R-BF555-100                                                                                         |
| Hersteller               | Bioss                                                                                                          |
| Wirt                     | Rabbit                                                                                                         |
| Kategorie                | Antikörper                                                                                                     |
| Applikation              | FC, IF                                                                                                         |
| Spezies Reaktivität      | Human, Rat                                                                                                     |
| Konjugation              | BF555                                                                                                          |
| Produktbeschreibung      | Prothymosin alpha may mediate immune function by conferring resistance to certain opportunistic infections.... |
| Klonalität               | Polyclonal                                                                                                     |
| Konzentration            | 1ug/ul                                                                                                         |
| NCBI                     | <a href="#">5757</a>                                                                                           |
| UniProt                  | <a href="#">P06454</a>                                                                                         |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human Thymosin Alpha-1                                   |
| Target-Kategorie       | Thymosin Alpha-1                                                                                       |
| Application Verdünnung | FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                             |
