| Alternativnummer         | BSS-BS-0229R-PERCP-CY5.5-100                                                                                                                                                               |
| Hersteller               | Bioss                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                 |
| Applikation              | IF, WB                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                               |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                                |
| Produktbeschreibung      | Plays an important role in the regulation of cell survival, cell division, angiogenesis, cell differentiation and cell migration. Functions as potent mitogen in vitro (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                                                                     |
| NCBI                     | <a href="#">14164</a>                                                                                                                                                                      |
| UniProt                  | <a href="#">P61148</a>                                                                                                                                                                     |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from mouse FGF1                                               |
| Target-Kategorie       | FGF1                                                                                                   |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
