### Mesothelin Polyclonal Antibody, Unconjugated, Rabbit BSS-BS-0300R

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Mesothelin Polyclonal Antibody, Unconjugated, Rabbit                                                                                                          |
| Artikelnummer            | BSS-BS-0300R                                                                                                                                                  |
| Hersteller Artikelnummer | bs-0300R                                                                                                                                                      |
| Alternativnummer         | BSS-BS-0300R-100                                                                                                                                              |
| Hersteller               | Bioss                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | ELISA, FC, IHC-P, WB                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                  |
| Produktbeschreibung      | Membrane-anchored forms may play a role in cellular adhesion. Megakaryocyte-potentiating factor (MPF) potentiates megakaryocyte colony formation in vitro.... |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Konzentration            | 1ug/ul                                                                                                                                                        |
| NCBI                     | <a href="#">10232</a>                                                                                                                                         |
| UniProt                  | <a href="#">Q13421</a>                                                                                                                                        |
| Puffer                   | 0.01M TBS(pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                              |
| Quelle                   | KLH conjugated synthetic peptide derived from human Mesolin                                                                                                   |

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Target-Kategorie       | Mesothelin                                                         |
| Application Verdünnung | WB(1:300-5000), ELISA(1:500-1000), FCM(1:20-100), IHC-P(1:200-400) |
