## Product Datasheet

### Mesothelin Polyclonal Antibody, Cy5.5 Conjugated, Rabbit BSS-BS-0300R-CY5.5

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Mesothelin Polyclonal Antibody, Cy5.5 Conjugated, Rabbit                                                                                                      |
| Artikelnummer            | BSS-BS-0300R-CY5.5                                                                                                                                            |
| Hersteller Artikelnummer | bs-0300R-Cy5.5                                                                                                                                                |
| Alternativnummer         | BSS-BS-0300R-CY5.5-100                                                                                                                                        |
| Hersteller               | Bioss                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | FC, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                         |
| Konjugation              | Cy5.5                                                                                                                                                         |
| Produktbeschreibung      | Membrane-anchored forms may play a role in cellular adhesion. Megakaryocyte-potentiating factor (MPF) potentiates megakaryocyte colony formation in vitro.... |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Konzentration            | 1ug/ul                                                                                                                                                        |
| NCBI                     | <a href="#">10232</a>                                                                                                                                         |
| UniProt                  | <a href="#">Q13421</a>                                                                                                                                        |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                       |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human Mesolin |
| Target-Kategorie       | Mesothelin                                                  |
| Application Verdünnung | WB(1:300-5000), FCM(1:20-100)                               |
