### TRA16 Polyclonal Antibody, Unconjugated, Rabbit BSS-BS-0329R

|                          |                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TRA16 Polyclonal Antibody, Unconjugated, Rabbit                                                                                                              |
| Artikelnummer            | BSS-BS-0329R                                                                                                                                                 |
| Hersteller Artikelnummer | bs-0329R                                                                                                                                                     |
| Alternativnummer         | BSS-BS-0329R-100                                                                                                                                             |
| Hersteller               | Bioss                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | ELISA, IF, IHC-Fr, IHC-P                                                                                                                                     |
| Konjugation              | Unconjugated                                                                                                                                                 |
| Produktbeschreibung      | TRA16 may act as a repressor of NR2C2-mediated transactivation by suppressing the binding between NR2C2/TR4 and the TR4-response element in target genes.... |
| Klonalität               | Polyclonal                                                                                                                                                   |
| Konzentration            | 1ug/ul                                                                                                                                                       |
| NCBI                     | <a href="#">126382</a>                                                                                                                                       |
| Puffer                   | 0.01M TBS(pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                             |
| Quelle                   | KLH conjugated synthetic peptide derived from human of human TRA16                                                                                           |
| Target-Kategorie         | TRA16                                                                                                                                                        |

|                        |                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
