## Product Datasheet

### **factor VIII Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit BSS-BS-0332R-BF350**

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | factor VIII Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit                                                                          |
| Artikelnummer            | BSS-BS-0332R-BF350                                                                                                                                 |
| Hersteller Artikelnummer | bs-0332R-BF350                                                                                                                                     |
| Alternativnummer         | BSS-BS-0332R-BF350-100                                                                                                                             |
| Hersteller               | Bioss                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | IF                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                              |
| Konjugation              | BF350                                                                                                                                              |
| Produktbeschreibung      | Factor VIII, along with calcium and phospholipid, acts as a cofactor for factor IXa when it converts factor X to the activated form, factor Xa.... |
| Klonalität               | Polyclonal                                                                                                                                         |
| Konzentration            | 1ug/ul                                                                                                                                             |
| NCBI                     | <a href="#">2157</a>                                                                                                                               |
| UniProt                  | <a href="#">P00451</a>                                                                                                                             |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human factor VIII                                        |
| Target-Kategorie       | factor VIII                                                                                            |
| Application Verdünnung | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                            |
