## Product Datasheet

### **FSH receptor Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit BSS-BS-0895R-BF350**

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | FSH receptor Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit                                                              |
| Artikelnummer            | BSS-BS-0895R-BF350                                                                                                                      |
| Hersteller Artikelnummer | bs-0895R-BF350                                                                                                                          |
| Alternativnummer         | BSS-BS-0895R-BF350-100                                                                                                                  |
| Hersteller               | Bioss                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                              |
| Applikation              | FC, IF, WB                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                       |
| Konjugation              | BF350                                                                                                                                   |
| Produktbeschreibung      | Receptor for follicle-stimulating hormone. The activity of this receptor is mediated by G proteins which activate adenylate cyclase.... |
| Klonalität               | Polyclonal                                                                                                                              |
| Konzentration            | 1ug/ul                                                                                                                                  |
| NCBI                     | <a href="#">2492</a>                                                                                                                    |
| UniProt                  | <a href="#">P23945</a>                                                                                                                  |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human FSHR                                               |
| Reinheit               | Purified by Protein A.                                                                                 |
| Target-Kategorie       | FSH receptor                                                                                           |
| Antibody Type          | Primary Antibody                                                                                       |
| Application Verdünnung | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)             |
