## Product Datasheet

### Recombinant Human GPC6 Protein, N-His, Unconjugated BSS-BS-105172P

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Human GPC6 Protein, N-His, Unconjugated                                                                 |
| Artikelnummer            | BSS-BS-105172P                                                                                                      |
| Hersteller Artikelnummer | bs-105172P                                                                                                          |
| Alternativnummer         | BSS-BS-105172P-20,BSS-BS-105172P-50                                                                                 |
| Hersteller               | Bioss                                                                                                               |
| Kategorie                | Proteine/Peptide                                                                                                    |
| Spezies Reaktivität      | Other                                                                                                               |
| Konjugation              | Unconjugated                                                                                                        |
| Tag                      | N-His                                                                                                               |
| UniProt                  | <a href="#">Q9Y625</a>                                                                                              |
| Puffer                   | Lyophilized from a solution in 10mM PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                     |
| Quelle                   | Recombinant Human GPC6 Protein is expressed in E.coli with N-His. It contains the amino acid sequence of 66-343/555 |
| Expression System        | E.coli                                                                                                              |
| Reinheit                 | > 90% as determined by SDS- PAGE                                                                                    |
