| Artikelname              | JAKMIP1/GABABRBP Polyclonal Antibody, APC-Cy5.5 Conjugated, APC/Cy5.5, Rabbit                                                                                                                              |
| Artikelnummer            | BSS-BS-12086R-APC-CY5.5                                                                                                                                                                                    |
| Hersteller Artikelnummer | bs-12086R-APC-Cy5.5                                                                                                                                                                                        |
| Alternativnummer         | BSS-BS-12086R-APC-CY5.5-100                                                                                                                                                                                |
| Hersteller               | Bioss                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                                 |
| Applikation              | IF                                                                                                                                                                                                         |
| Konjugation              | APC/Cy5.5                                                                                                                                                                                                  |
| Produktbeschreibung      | Associates with microtubules and may play a role in the microtubule-dependent transport of the GABA-B receptor. May play a role in JAK1 signaling and regulate microtubule cytoskeleton rearrangements.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                                                                                     |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                     |
| Quelle                   | KLH conjugated synthetic peptide derived from human GABABRBP/JAKMIP1                                                                                                                                       |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Target-Kategorie       | JAKMIP1/GABABRBP                                            |
| Application Verdünnung | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
