| Hersteller               | Bioss                                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                  |
| Applikation              | IF                                                                                                                                                                                                          |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                       |
| Konjugation              | BF405                                                                                                                                                                                                       |
| Produktbeschreibung      | The glycine receptor is a neurotransmitter-gated ion channel. Binding of glycine to its receptor increases the chloride conductance and thus produces hyperpolarization (inhibition of neuronal firing).... |
| Klonalität               | Polyclonal                                                                                                                                                                                                  |
| Konzentration            | 1ug/ul                                                                                                                                                                                                      |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                      |
| Quelle                   | KLH conjugated synthetic peptide derived from human GLRA4                                                                                                                                                   |

|                        |                     |
|------------------------|---------------------|
| Target-Kategorie       | GLRA4               |
| Application Verdünnung | IF(IHC-P)(1:50-200) |
