| Artikelname              | Nodal Polyclonal Antibody, Biotin Conjugated, Rabbit                                                    |
| Artikelnummer            | BSS-BS-12243R-BIOTIN                                                                                    |
| Hersteller Artikelnummer | bs-12243R-Biotin                                                                                        |
| Alternativnummer         | BSS-BS-12243R-BIOTIN-100                                                                                |
| Hersteller               | Bioss                                                                                                   |
| Wirt                     | Rabbit                                                                                                  |
| Kategorie                | Antikörper                                                                                              |
| Applikation              | ELISA, IHC-Fr, IHC-P, WB                                                                                |
| Konjugation              | Biotin                                                                                                  |
| Produktbeschreibung      | Essential for mesoderm formation and axial patterning during embryonic development....                  |
| Klonalität               | Polyclonal                                                                                              |
| Konzentration            | 1ug/ul                                                                                                  |
| NCBI                     | <a href="#">4838</a>                                                                                    |
| UniProt                  | <a href="#">Q96S42</a>                                                                                  |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                   | KLH conjugated synthetic peptide derived from human Nodal                                               |
| Target-Kategorie         | Nodal                                                                                                   |

|                        |                                                                       |
|------------------------|-----------------------------------------------------------------------|
| Application Verdünnung | WB(1:300-5000), ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500) |
|------------------------|-----------------------------------------------------------------------|
