| Alternativnummer         | BSS-BS-12307R-BF488-100                                                                                                                                                      |
| Hersteller               | Bioss                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | IF, WB                                                                                                                                                                       |
| Konjugation              | BF488                                                                                                                                                                        |
| Produktbeschreibung      | Appears to have a role in the catabolic pathway of the renin-angiotensin system. Probably plays a role in regulating growth and differentiation of early B-lineage cells.... |
| Klonalität               | Polyclonal                                                                                                                                                                   |
| Konzentration            | 1ug/ul                                                                                                                                                                       |
| NCBI                     | <a href="#">2028</a>                                                                                                                                                         |
| UniProt                  | <a href="#">Q07075</a>                                                                                                                                                       |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                       |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human Aminopeptidase A        |
| Target-Kategorie       | ENPEP                                                                       |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
