### Claudin 20 Polyclonal Antibody, Biotin Conjugated, Rabbit BSS-BS-13748R-BIOTIN

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Claudin 20 Polyclonal Antibody, Biotin Conjugated, Rabbit                                                                                     |
| Artikelnummer            | BSS-BS-13748R-BIOTIN                                                                                                                          |
| Hersteller Artikelnummer | bs-13748R-Biotin                                                                                                                              |
| Alternativnummer         | BSS-BS-13748R-BIOTIN-100                                                                                                                      |
| Hersteller               | Bioss                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | ELISA, IHC-Fr, IHC-P                                                                                                                          |
| Konjugation              | Biotin                                                                                                                                        |
| Produktbeschreibung      | Plays a major role in tight junction-specific obliteration of the intercellular space, through calcium-independent cell-adhesion activity.... |
| Klonalität               | Polyclonal                                                                                                                                    |
| Konzentration            | 1ug/ul                                                                                                                                        |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                       |
| Quelle                   | KLH conjugated synthetic peptide derived from human Claudin 20                                                                                |
| Target-Kategorie         | Claudin 20                                                                                                                                    |
| Application Verdünnung   | ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500)                                                                                         |
