| Alternativnummer         | BSS-BS-13860R-BF594-100                                                                                                                                                                     |
| Hersteller               | Bioss                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                  |
| Applikation              | IF                                                                                                                                                                                          |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                       |
| Konjugation              | BF594                                                                                                                                                                                       |
| Produktbeschreibung      | Plays a role in the organization of both preexisting and nascent microtubules in interphase cells. During mitosis, required for the organization and orientation of the mitotic spindle.... |
| Klonalität               | Polyclonal                                                                                                                                                                                  |
| Konzentration            | 1ug/ul                                                                                                                                                                                      |
| NCBI                     | <a href="#">80321</a>                                                                                                                                                                       |
| UniProt                  | <a href="#">Q8NHQ1</a>                                                                                                                                                                      |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human CEP70                                              |
| Target-Kategorie       | CEP70                                                                                                  |
| Application Verdünnung | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                            |
