| Artikelname              | TYRP1 Polyclonal Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit                                                                                                    |
| Artikelnummer            | BSS-BS-15510R-PE-CY5.5                                                                                                                                              |
| Hersteller Artikelnummer | bs-15510R-PE-Cy5.5                                                                                                                                                  |
| Alternativnummer         | BSS-BS-15510R-PE-CY5.5-100                                                                                                                                          |
| Hersteller               | Bioss                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | WB                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                        |
| Konjugation              | PE/Cy5.5                                                                                                                                                            |
| Produktbeschreibung      | Oxidation of 5,6-dihydroxyindole-2-carboxylic acid (DHICA) into indole-5,6-quinone-2-carboxylic acid. May regulate or influence the type of melanin synthesized.... |
| Klonalität               | Polyclonal                                                                                                                                                          |
| Konzentration            | 1ug/ul                                                                                                                                                              |
| NCBI                     | <a href="#">7306</a>                                                                                                                                                |
| UniProt                  | <a href="#">P17643</a>                                                                                                                                              |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                              |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human Tyrosinase-related protein 1 |
| Target-Kategorie       | TYRP1                                                                            |
| Application Verdünnung | WB(1:300-5000)                                                                   |
