### **CCL26 Polyclonal Antibody, Biotin Conjugated, Rabbit BSS-BS-15513R-BIOTIN**

|                          |                                                                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CCL26 Polyclonal Antibody, Biotin Conjugated, Rabbit                                                                                       |
| Artikelnummer            | BSS-BS-15513R-BIOTIN                                                                                                                       |
| Hersteller Artikelnummer | bs-15513R-Biotin                                                                                                                           |
| Alternativnummer         | BSS-BS-15513R-BIOTIN-100                                                                                                                   |
| Hersteller               | Bioss                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                 |
| Applikation              | ELISA, IHC-Fr, IHC-P, WB                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                          |
| Konjugation              | Biotin                                                                                                                                     |
| Produktbeschreibung      | Eotaxin 3 is a recently discovered CC chemokine. It binds to the CCR3 receptor and is highly chemotactic for eosinophils and basophils.... |
| Klonalität               | Polyclonal                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                     |
| NCBI                     | <a href="#">685958</a>                                                                                                                     |
| UniProt                  | <a href="#">D3ZQG2</a>                                                                                                                     |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                    |

|                        |                                                                       |
|------------------------|-----------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from rat CCL26               |
| Target-Kategorie       | CCL26                                                                 |
| Application Verdünnung | WB(1:300-5000), ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500) |
