| Artikelnummer            | BSS-BS-16621R-APC-CY7                                                                                                                                                                                |
| Hersteller Artikelnummer | bs-16621R-APC-Cy7                                                                                                                                                                                    |
| Alternativnummer         | BSS-BS-16621R-APC-CY7-100                                                                                                                                                                            |
| Hersteller               | Bioss                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                           |
| Applikation              | IF                                                                                                                                                                                                   |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                |
| Konjugation              | APC/Cy7                                                                                                                                                                                              |
| Produktbeschreibung      | RNA-binding protein that act as a regulator of mRNA translation and stability. Binds to the 5-UTR of the insulin-like growth factor 2 (IGF2) mRNAs. Binds to sequences in the 3-UTR of CD44 mRNA.... |
| Klonalität               | Polyclonal                                                                                                                                                                                           |
| Konzentration            | 1ug/ul                                                                                                                                                                                               |
| NCBI                     | <a href="#">10643</a>                                                                                                                                                                                |
| UniProt                  | <a href="#">O00425</a>                                                                                                                                                                               |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                               |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human IMP3    |
| Target-Kategorie       | IMP3                                                        |
| Application Verdünnung | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
