| Konjugation              | APC/Cy7                                                                                                                                                                                                                                                       |
| Produktbeschreibung      | The product of this gene phosphorylates the beta-2-adrenergic receptor and appears to mediate agonist-specific desensitization observed at high agonist concentrations. This protein is an ubiquitous cytosolic enzyme that specifically phosphorylates th... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
