| Artikelname              | IRAK1BP1 Polyclonal Antibody, PerCP-Cy5.5 Conjugated, PerCP/Cy5.5, Rabbit                                                                                                                              |
| Artikelnummer            | BSS-BS-16694R-PERCP-CY5.5                                                                                                                                                                              |
| Hersteller Artikelnummer | bs-16694R-PerCP-Cy5.5                                                                                                                                                                                  |
| Alternativnummer         | BSS-BS-16694R-PERCP-CY5.5-100                                                                                                                                                                          |
| Hersteller               | Bioss                                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                             |
| Applikation              | IF, WB                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                           |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                                            |
| Produktbeschreibung      | Component of the IRAK1-dependent TNFRSF1A signaling pathway that leads to NF-kappa-B activation and is required for cell survival. Acts by enhancing RELA transcriptional activity (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                                                             |
| Konzentration            | 1ug/ul                                                                                                                                                                                                 |
| NCBI                     | <a href="#">134728</a>                                                                                                                                                                                 |
| UniProt                  | <a href="#">Q5VVH5</a>                                                                                                                                                                                 |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human IRAK1BP1.                                          |
| Target-Kategorie       | IRAK1BP1                                                                                               |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
