| Artikelname              | KLRG2 Polyclonal Antibody, PE-Cy7 Conjugated, PE/Cy7, Rabbit                                                      |
| Artikelnummer            | BSS-BS-16787R-PE-CY7                                                                                              |
| Hersteller Artikelnummer | bs-16787R-PE-Cy7                                                                                                  |
| Alternativnummer         | BSS-BS-16787R-PE-CY7-100                                                                                          |
| Hersteller               | Bioss                                                                                                             |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | WB                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                             |
| Konjugation              | PE/Cy7                                                                                                            |
| Produktbeschreibung      | Killer cell lectin-like receptor subfamily G member 2, KLRG2, C-type lectin domain family 15 member B, CLEC15B... |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | 1ug/ul                                                                                                            |
| NCBI                     | <a href="#">346689</a>                                                                                            |
| UniProt                  | <a href="#">A4D1S0</a>                                                                                            |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.            |
| Quelle                   | KLH conjugated synthetic peptide derived from human KLRG2                                                         |

|                        |                |
|------------------------|----------------|
| Target-Kategorie       | KLRG2          |
| Application Verdünnung | WB(1:300-5000) |
