| Alternativnummer         | BSS-BS-1721R-100                                                                                                                                                                                                                 |
| Hersteller               | Bioss                                                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                       |
| Applikation              | ELISA, IF, IHC-Fr, IHC-P, WB                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                            |
| Konjugation              | Unconjugated                                                                                                                                                                                                                     |
| Produktbeschreibung      | This enzyme is involved in nucleotide metabolism: it produces dUMP, the immediate precursor of thymidine nucleotides and it decreases the intracellular concentration of dUTP so that uracil cannot be incorporated into DNA.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                       |
| Konzentration            | 1ug/ul                                                                                                                                                                                                                           |
| NCBI                     | <a href="#">1854</a>                                                                                                                                                                                                             |
| UniProt                  | <a href="#">P33316</a>                                                                                                                                                                                                           |
| Puffer                   | 0.01M TBS(pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                                                 |

|                        |                                                                                                                                    |
