## Product Datasheet

### Mutarotase Polyclonal Antibody, PE Conjugated, Rabbit BSS-BS-19113R-PE

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Mutarotase Polyclonal Antibody, PE Conjugated, Rabbit                                                                                       |
| Artikelnummer            | BSS-BS-19113R-PE                                                                                                                            |
| Hersteller Artikelnummer | bs-19113R-PE                                                                                                                                |
| Alternativnummer         | BSS-BS-19113R-PE-100                                                                                                                        |
| Hersteller               | Bioss                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | IF, WB                                                                                                                                      |
| Spezies Reaktivität      | Mouse                                                                                                                                       |
| Konjugation              | PE                                                                                                                                          |
| Produktbeschreibung      | Mutarotase converts alpha-aldose to the beta-anomer. It is active on D-glucose, L-arabinose, D-xylose, D-galactose, maltose and lactose.... |
| Klonalität               | Polyclonal                                                                                                                                  |
| Konzentration            | 1ug/ul                                                                                                                                      |
| NCBI                     | <a href="#">130589</a>                                                                                                                      |
| UniProt                  | <a href="#">Q96C23</a>                                                                                                                      |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                     |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human Mutarotase              |
| Target-Kategorie       | Mutarotase                                                                  |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
