| Alternativnummer         | BSS-BS-20226R-PERCP-CY5.5-100                                                                                                                                                                      |
| Hersteller               | Bioss                                                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                                         |
| Applikation              | IF, WB                                                                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                                                              |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                                        |
| Produktbeschreibung      | Receptor for fibroblast growth factors FGF2 and FGF1. Receptor for FGF23 in the presence of KL (By similarity). Promotes mitogenesis in response to fibroblast growth factors. Activates PLCG1.... |
| Klonalität               | Polyclonal                                                                                                                                                                                         |
| Konzentration            | 1mg/ml                                                                                                                                                                                             |
| NCBI                     | <a href="#">2260</a>                                                                                                                                                                               |
| UniProt                  | <a href="#">P11362</a>                                                                                                                                                                             |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                             |

|                        |                                                           |
|------------------------|-----------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human FGFR1 |
| Target-Kategorie       | FGFR1                                                     |
| Application Verdünnung | WB(WB=1:500-2000), IF(IF=1:100-500)                       |
