## Product Datasheet

### IL-17B Polyclonal Antibody, Biotin Conjugated, Rabbit BSS-BS-2609R-BIOTIN

|                          |                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------|
| Artikelname              | IL-17B Polyclonal Antibody, Biotin Conjugated, Rabbit                                                      |
| Artikelnummer            | BSS-BS-2609R-BIOTIN                                                                                        |
| Hersteller Artikelnummer | bs-2609R-Biotin                                                                                            |
| Alternativnummer         | BSS-BS-2609R-BIOTIN-100                                                                                    |
| Hersteller               | Bioss                                                                                                      |
| Wirt                     | Rabbit                                                                                                     |
| Kategorie                | Antikörper                                                                                                 |
| Applikation              | ELISA, IHC-Fr, IHC-P                                                                                       |
| Spezies Reaktivität      | Human, Rat                                                                                                 |
| Konjugation              | Biotin                                                                                                     |
| Produktbeschreibung      | Stimulates the release of tumor necrosis factor alpha and IL-1-beta from the monocytic cell line THP-1.... |
| Klonalität               | Polyclonal                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                     |
| NCBI                     | <a href="#">56069</a>                                                                                      |
| UniProt                  | <a href="#">Q9QXT6</a>                                                                                     |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.    |
| Quelle                   | KLH conjugated synthetic peptide derived from mouse IL-17B                                                 |

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Reinheit               | Purified by Protein A.                                |
| Target-Kategorie       | IL-17B                                                |
| Antibody Type          | Primary Antibody                                      |
| Application Verdünnung | ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500) |
