## Product Datasheet

### **IL-18R alpha Polyclonal Antibody, AbBy Fluor-555 Conjugated, BF555, Rabbit BSS-BS-2615R-BF555**

|                          |                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------|
| Artikelname              | IL-18R alpha Polyclonal Antibody, AbBy Fluor-555 Conjugated, BF555, Rabbit                            |
| Artikelnummer            | BSS-BS-2615R-BF555                                                                                    |
| Hersteller Artikelnummer | bs-2615R-BF555                                                                                        |
| Alternativnummer         | BSS-BS-2615R-BF555-100                                                                                |
| Hersteller               | Bioss                                                                                                 |
| Wirt                     | Rabbit                                                                                                |
| Kategorie                | Antikörper                                                                                            |
| Applikation              | FC, IF, WB                                                                                            |
| Spezies Reaktivität      | Human, Mouse                                                                                          |
| Konjugation              | BF555                                                                                                 |
| Produktbeschreibung      | Receptor for interleukin 18 (IL-18). Binding to the agonist leads to the activation of NF-kappa-B.... |
| Klonalität               | Polyclonal                                                                                            |
| Konzentration            | 1ug/ul                                                                                                |
| NCBI                     | <a href="#">8809</a>                                                                                  |
| UniProt                  | <a href="#">Q13478</a>                                                                                |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human IL-18R alpha                                       |
| Target-Kategorie       | IL-18R alpha                                                                                           |
| Application Verdünnung | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)             |
