| Artikelname              | FUCA1 Polyclonal Antibody, PerCP-Cy5.5 Conjugated, PerCP/Cy5.5, Rabbit                                                                                                         |
| Artikelnummer            | BSS-BS-2940R-PERCP-CY5.5                                                                                                                                                       |
| Hersteller Artikelnummer | bs-2940R-PerCP-Cy5.5                                                                                                                                                           |
| Alternativnummer         | BSS-BS-2940R-PERCP-CY5.5-100                                                                                                                                                   |
| Hersteller               | Bioss                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                     |
| Applikation              | IF, WB                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                          |
| Konjugation              | PerCP/Cy5.5                                                                                                                                                                    |
| Produktbeschreibung      | Alpha-L-fucosidase is responsible for hydrolyzing the alpha-1,6-linked fucose joined to the reducing-end N-acetylglucosamine of the carbohydrate moieties of glycoproteins.... |
| Klonalität               | Polyclonal                                                                                                                                                                     |
| Konzentration            | 1ug/ul                                                                                                                                                                         |
| NCBI                     | <a href="#">2517</a>                                                                                                                                                           |
| UniProt                  | <a href="#">P04066</a>                                                                                                                                                         |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human FUCA1                                              |
| Target-Kategorie       | FUCA1                                                                                                  |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
