|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic phosphopeptide derived from rat Bcl-2 around the phosphorylation site of Ser70 |
| Target-Kategorie       | Phospho-Bcl-2 (Ser70)                                                                                   |
| Application Verdünnung | WB(1:300-5000), ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500)                                   |
