|                        |                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.        |
| Quelle                 | KLH conjugated synthetic phosphopeptide derived from human IKK alpha around the phosphorylation site of Tyr463 |
| Target-Kategorie       | phospho-IKK alpha (Tyr463)                                                                                     |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                    |
