|                        |                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                         |
| Quelle                 | KLH conjugated synthetic phosphopeptide derived from human IKK alpha/IKK beta around the phosphorylation site of Ser180/Ser181 |
| Target-Kategorie       | Phospho-IKK alpha (Ser180) + IKK beta (Ser181)                                                                                 |
| Application Verdünnung | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                                                    |
