## Product Datasheet

### **Phospho-ALOX5 (Ser663) Polyclonal Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit BSS-BS-3252R-PE-CY5.5**

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-ALOX5 (Ser663) Polyclonal Antibody, PE-Cy5.5 Conjugated, PE/Cy5.5, Rabbit                            |
| Artikelnummer            | BSS-BS-3252R-PE-CY5.5                                                                                        |
| Hersteller Artikelnummer | bs-3252R-PE-Cy5.5                                                                                            |
| Alternativnummer         | BSS-BS-3252R-PE-CY5.5-100                                                                                    |
| Hersteller               | Bioss                                                                                                        |
| Wirt                     | Rabbit                                                                                                       |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | WB                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                            |
| Konjugation              | PE/Cy5.5                                                                                                     |
| Produktbeschreibung      | Catalyzes the first step in leukotriene biosynthesis, and thereby plays a role in inflammatory processes.... |
| Klonalität               | Polyclonal                                                                                                   |
| Konzentration            | 1ug/ul                                                                                                       |
| NCBI                     | <a href="#">240</a>                                                                                          |
| UniProt                  | <a href="#">P09917</a>                                                                                       |

|                        |                                                                                                                   |
|------------------------|-------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.            |
| Quelle                 | KLH conjugated synthetic phosphopeptide derived from rat 5-Lipoxygenase around the phosphorylation site of Ser663 |
| Target-Kategorie       | Phospho-ALOX5 (Ser663)                                                                                            |
| Application Verdünnung | WB(1:300-5000)                                                                                                    |
