## Product Datasheet

### **Phospho-Paxillin (Tyr118) Polyclonal Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit BSS-BS-3352R-BF594**

|                          |                                                                                                                                       |

| Artikelname              | Phospho-Paxillin (Tyr118) Polyclonal Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit                                               |
| Artikelnummer            | BSS-BS-3352R-BF594                                                                                                                    |
| Hersteller Artikelnummer | bs-3352R-BF594                                                                                                                        |
| Alternativnummer         | BSS-BS-3352R-BF594-100                                                                                                                |
| Hersteller               | Bioss                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                            |
| Applikation              | WB                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                                          |
| Konjugation              | BF594                                                                                                                                 |
| Produktbeschreibung      | Cytoskeletal protein involved in actin-membrane attachment at sites of cell adhesion to the extracellular matrix (focal adhesion).... |
| Klonalität               | Polyclonal                                                                                                                            |
| Konzentration            | 1ug/ul                                                                                                                                |
| NCBI                     | <a href="#">5829</a>                                                                                                                  |
| UniProt                  | <a href="#">P49023</a>                                                                                                                |

|                        |                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.        |
| Quelle                 | KLH conjugated synthetic phosphopeptide derived from human Paxillin around the phosphorylation site of Tyr118 |
| Target-Kategorie       | Phospho-Paxillin (Tyr118)                                                                                     |
| Application Verdünnung | WB(1:300-5000)                                                                                                |
