| Alternativnummer         | BSS-BS-3879R-BF405-100                                                                                                                                                                     |
| Hersteller               | Bioss                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                 |
| Applikation              | IF, WB                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                               |
| Konjugation              | BF405                                                                                                                                                                                      |
| Produktbeschreibung      | Critical component of the membrane-bound oxidase of phagocytes that generates superoxide. Associates with NOX3 to form a functional NADPH oxidase constitutively generating superoxide.... |
| Klonalität               | Polyclonal                                                                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                                                                     |
| NCBI                     | <a href="#">1535</a>                                                                                                                                                                       |
| UniProt                  | <a href="#">P13498</a>                                                                                                                                                                     |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human CK18 Cytochrome b245 Light Chain/p22phox           |
| Target-Kategorie       | Cytochrome b245 Light Chain                                                                            |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
