| Artikelname              | ADCY9 Polyclonal Antibody, Unconjugated, Rabbit                                                                                                                                                                            |
| Artikelnummer            | BSS-BS-3926R                                                                                                                                                                                                               |
| Hersteller Artikelnummer | bs-3926R                                                                                                                                                                                                                   |
| Alternativnummer         | BSS-BS-3926R-100                                                                                                                                                                                                           |
| Hersteller               | Bioss                                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                                                 |
| Applikation              | ELISA, IF, IHC-Fr, IHC-P, WB                                                                                                                                                                                               |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                                                 |
| Konjugation              | Unconjugated                                                                                                                                                                                                               |
| Produktbeschreibung      | May play a fundamental role in situations where fine interplay between intracellular calcium and cAMP determines the cellular function. May be a physiologically relevant docking site for calcineurin (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                                                                                                     |
